

REMARKS/ARGUMENTS

Entry of this Amendment After Allowance Under 37 C.F.R. §1.312 is respectfully requested since it does not add any new matter or require further consideration and/or search. More specifically, independent Claim 1, line 33 and dependent Claim 3, lines 4 and 5 have been amended to correct the typographical informalities noted therein by changing “storing means” to -- database -- as intended; independent Claim 9, lines 33 and 34 has been amended to correct a typographical informality by deleting the expression “user registration means” and inserting -- processor -- therefor so that the claim language is consistent with the claim language which the examiner was authorized to insert during a telephone discussion on June 2, 2009; and dependent Claims 11-16, which depend from Claim 9, have been amended to correct the typographical informalities noted therein since all of the “means” recitations were deleted from independent Claim 9 by the Examiner’s Amendment set forth in the Notice of Allowability (PTOL-37) mailed on June 19, 2009. The typographical informalities in Claims 1, 3, 9 and 11-16 were discovered by applicants’ attorney during a post-allowance review of the claims and applicants’ attorney has been diligent in correcting any informalities that he has become aware of.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
